

PRAWN

HOT BONNET COOKING CLUB

You have now joined the **club** of under-bonnet cooks!

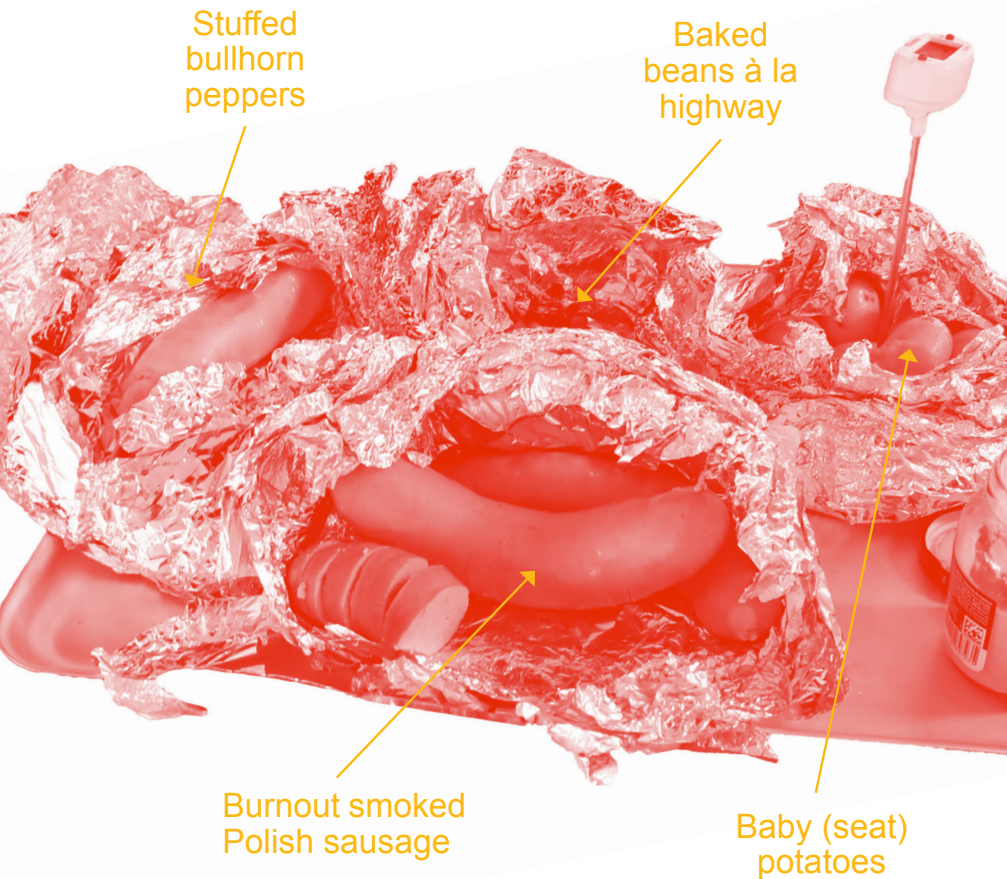

The **CarB-Quing** community welcomes you with doors wide open. The **inexact methods** you have been shared should be seasoned and altered to your own tastes and vehicles. Remember never place items in an area which may impact the safe and proper functionality of your **engine**. Also remember to travel now with **foil, salt, pepper** and **napkins**, wherever the road may take you.

The Long Prawn **Hot Bonnet Cooking Club** welcomes images of your cooking triumphs or tribulations via @longprawn.
